
OUTRIGGER DANCE IS BIG SUCCESS; TOTAL ATTENDANCE IS 246

With a big full moon shining and cool trade winds blowing, the Outrigger Canoe Club's dancing lanai at Waikiki was thronged with dancers Saturday night, the occasion being the club's grand ball and entertainment celebrating the completion of its bath house for women guests of members.

According to Secretary J. Ashman Beaven of the club today, there was an attendance of 246.

Charming features of the evening were two exhibition dances, the "Aeroplane Waltz" and a new version of the fox trot, given by Mr. and Mrs. Monjo.

Dude Miller's orchestra furnished music and abundant light refreshments were served. Secretary Beaven made a short, graceful talk in humorous vein and requested that further applications of members to extend bathing privileges to women guests be made to him at once before all space is taken. Practically everyone attending visited the new bath house, Mrs. J. D. Jay, whom the club has secured as its caretaker, showing them around the fine structure.
