
FINE ATTENDANCE AT OUTRIGGER'S DANCE

An attendance as large as could comfortably be contained by the dancing lanai greeted the January moon-beam dance of the Outrigger Canoe Club Saturday night at the club's pavilion on its grounds at Waikiki.

The evening was perfect with a gorgeous moon and fine trade wind breezes from the northeast keeping the lanai cool. Kaai's orchestra furnished excellent music. During the evening Madame Lester and Mr. Ransford gave an exhibition of the "two-two," the latest New York society dance.

February 3, the Saturday before full moon, the next dance will be held. The dances are for members and guests.
