

TRACK ATHLETES TO RUN SATURDAY

The fifth annual Cornell relay games, which are to be held at Kamehameha Field, Kalihi, Saturday afternoon, beginning at one-thirty o'clock, are creating a great amount of interest among the sporting public of the city.

The cadets of Kamehameha School are conceded to have the brightest show for first honors. Their winning the cross-country run has augmented their chances by twenty points.

Kam Hard To Beat

With the large list to pick from, Kamehameha will have a team out hard to defeat. Four numbers on the program will be relays. These races alone require sixteen men from each school. Kamehameha has the material—Mills, also—but the lack of it is a problem with St. Louis, Punahou and McKinley, which, as a rule, lack long-distance men. Mills, which finished second in the cross-country run, has already twelve points on which to build. The training of some six months or so for cross-country will stand the Mills men in good stead, and if the cadets think that they will have matters all their way in the distances that require endurance they will find a snag in Mills.

Prospects In Relay Poor

In the four-mile and two-mile relays St. Louis stands very little chance, but in the other events prospects are not so dismal. The runners from McKinley cannot approach the standard of those of Kamehameha and Mills in the distances, and Punahou's chances were ripped in the bud when it was disclosed that quite a number of the buff and blue men had failed to come up in studies.

Kamehameha is banking on the hurdles and shot-put. The eyes of St. Louis are directed at the broad jump and hundred-yard dash. Punahou and the cadets will fight it out for the pole vault and high jump.

Events Of Meet

The following will be the list of events:

- One hundred yards (trials).
- Pole vault.
- Mile relay.
- Broad jump.
- Two-hundred-and-twenty-yard hurdle (trials).
- Shot-put.
- Four-mile relay.
- One hundred yards (finals).
- High jump.
- Two-hundred-and-twenty-yard hurdle (final).
- Two-mile relay.
- Half-mile relay.

Twenty-fifth To Enter Team

A week from Saturday the big A. A. U. track and field meet will be held. The Advertiser will finance the meet and no charge will be made for admission. The Advertiser will give gold and silver medals for the first and second men in each event. Entries will close at five o'clock Saturday afternoon. John Soper, secretary of the registration committee, Hawaiian News Company, is receiving entries.

Punahou and St. Louis will not enter as schools, but some of the men may go unattached. Joe Stickney expects to enter fifteen men from the Outrigger club; there will be about twenty from Kamehameha and Mills, the crack sprinter of the Twenty-fifth Infantry, is getting together a team of about twenty from his regiment. There will be several scattering entries.
