

The board of directors of the Out-rigger Canoe Club have selected Tuesday evening, July 24, as the date of the annual meeting. As usual, a committee has been appointed to nominate suitable men for the nine offices open for election at that time, and they have been asked to offer the voters a choice of two names for each office. The nominating committee this year is as follows: W. H. Soper, chairman; John Guild and E. T. Chase.
