

# DANCE AT OUTRIGGER DRAWS BIG ATTENDANCE

---

The last "moonbeam dance" given by the present entertainment committee of the Outrigger Canoe Club was held Saturday night at the club's dancing lanai at Waikiki. There was a big attendance, 210 members and guests being present. Chairman Warren Dease of the committee says every dance has made money for the club's treasury.

It is expected the new committee to be appointed after the annual meeting this month will continue the dances, which have proved increasingly popular.
