

OUTRIGGER MEMBERS

WILL EAT AND VOTE

Dinner Arranged At Laniakea Preceding Election

The "harmony" faction of the Outrigger Canoe Club has circulated a paper, which more than one hundred members have approved, outlining a tentative general policy of the organization for the coming year. A supper will be served at Laniakea on the evening of July 24, preceding the election of officers, which will be held in the Library of Hawaii, to which all members of the so-called Union party are asked to attend.

The paper which was in circulation yesterday reads as follows:

"We, the undersigned, hereby subscribe fifty cents each for one ticket to the Outrigger Harmony Supper at Laniakea Theater, election evening, July 24, at six o'clock, and pledge ourselves to march in company after supper to the public library to the election of officers of the Outrigger Canoe Club; we pledging our support to the following:

"H. B. Campbell, president; G. H. Buttolph, vice-president; P. H. Deverill, secretary; L. C. Thompson, treasurer; G. D. Center, captain; F. C. Mighton, chairman house committee; Harold B. Podmore, chairman order and entertainment committee; Hermon von Holt, director; J. M. Westgate, director.

"They, in turn, we ask to pledge themselves to continue the policy of the club, looking towards the comfortable and adequate housing of our lady guests, who wish bathing privileges; to give a liberal support of canoeing, surfing and swimming sports; and to secure proper men to care for the property and business of the Outrigger Canoe Club, and to lead in a policy of kindness and courtesy to all women who grace our grounds with their presence, and to steadfastly maintain the rights and privileges of the Outrigger Canoe Club."
