Committee on Games Drafts Schedule of Events for Big Indoor Meet August 8-10

A two-day swimming meet with a total of some 22 events and the assurance of the best swimming talent in Hawaii is the program set for two days early in August, as drawn up by the games committee at its second meeting at the Y. M. C. A. last night.

The meet was yesterday declared the first indoor swimming championship of Hawaii by the directors of the A. A. U., and as such will attract the best of local talent since the winner of each race will be declared the Hawaiian champion of that distance for at least a year, or until someone takes it away at a later similar event.

The official order of events was drawn up last night by the games committee and is listed below:

The committee in charge of the meet included Dad Center of the Outrigger Canoe Club, Lawrence Cunha of the Healan Club, D. L. Conklin of Palama Swimming Club, Mrs. L. Fullard Leo of the Women's auxiliary, J. K. Evans of the Hui Nalu, Lady Langer and G. E. Jackson of the Y. M. C. A.

Mrs. Leo was selected as official chaperone and in charge of the ladies' dressing rooms which are to be at the Y. W. C. A., just across from the Y. M. C. A. Mrs. Leo is thoroughly versed in swimming and has for years been promoting interest among ladies in this healthful sport. She believes that there will be a list of entries from the Outrigger Club under the colors of either the Women's auxiliary or the Guest house.

Entry blanks for the meet will be ready Monday noon at either the Y. M. C. A. or with Mr. Soper at the Hawaiian News. With the recent out-book there is to be a very large list of entries and a preliminary meet is to be held on Tuesday night, August 7 to eliminate all but four entries in each event.
