

Entries Close For Swimming Meet Tonight

Eight o'clock the Last Opportunity To Get In — Big Rush Expected

At eight o'clock this evening entries for the Island championship swimming meet will close at the Y. M. C. A. Entries will be received today at the Hawaiian News Company and the Y. M. C. A., but late entries should go to the "Y".

The hands of the club and team managers will be shown tonight. Most of the important club entries have not been made and will not be until the last moment. Palama and the Outrigger will enter today.

Those swimmers who have not entered should get busy at once. The schedule for the preliminary races will be made up after the entries close. The preliminaries will be held next Tuesday evening and the championship races Wednesday, August 8, and Friday, August 10.
