LUDY LANGER, who contemplates retiring from swimming after the national championship meet here in September.

## Rawlins Will Arrange With Coast Stars

Miss Galligan Will Depart From New York August 10 For Honolulu

A cablegram from W. T. Rawlins, president of the local A.A.U., received by Lorrin Andrews, secretary, yesterday, asked whether Mr. Rawlins should make arrangements for swimmers to come here for the meet September 1 and 2. He was advised that the A.A.U. wished him to make the arrangements. The message was sent from San Francisco.

Mr. Rawlins did not state whether he had arranged with any Eastern swimmers to come. It had been intended to bring McGilivray, Heber and one other Illinois Athletic Club swimmer, with their trainer, Mr. Rawlins will arrange with Misses Dorothy Burns and Frances Cuswell and Norman Ross in California.

### Women's Race September 1

The women's national 50-yard championship will be held Saturday, September 1, it has been decided. Formal notice from the New York office of the national A.A.U. that this race has been awarded to Hawaii still is lacking, and Mr. Andrews sent a cablegram yesterday requesting advice. The men's national 100-yard championship will be held Labor Day, September 3.

A cablegram received by Mr. Andrews yesterday said that Miss Claire Galligan would depart from New York August 10 and would sail from San Francisco, August 23 for Honolulu, that will bring her here in the Maui August 29, three days before the women's race, for which she is coming.

### Langer May Quit Game

Ludy Langer may retire from swimming after the September meet. He said last night that his intention now was to quit, but that he couldn't say now strongly the call might be for future races. Most athletes sooner or later find that athletics or business must be sacrificed, and Mr. Langer intends to sacrifice the swimming, since it is difficult to carry on both. He will swim

The following are the tank records, American and Hawaiian, which the swimmers will try to surpass at the Y. M. C. A. tonight. All the Hawaiian records were made in the Honolulu "Y" tank. The places and dates of others are given.
