Two New Records Made In Y.M. Swimming Meet Last Evening

Lane and Kruger Set New Marks—Record Crowd Witnesses Excellent Program—Langer Wins Furlong From Kelli—Miss Gerd Hiorth Wins 50 Yard Event in 33.1—Outrigger Club to Front With 21 Points—General Johnson Given Cup

The swimming meet on Friday evening at the Y. M. C. A. will begin at 8 o'clock. This will conclude the program for the indoor championships and there will be 11 events in all. The feature events of the evening will be the 100 and 500-yard championships and the 100-yard race for girls, followed by Miss Law ad Miss Hopkins, but it could be seen that Miss Law was having trouble with her shoulder, which was wrenched some time ago. Miss Hiorth, however, had excellent form, and her arm motion showed a great improvement over last year. She appeared to have more power, and after the first 20 yards, there was never a question as to the winner.

Youngster Stars

Josephine Hopkins and Miss Law staged a race for the first 30 yards, but Miss Law dropped behind and then Miss Edith Kean, the 13-year-old pupil of Ruth Stacker, began to show the benefit of her coaching. She made the last turn in an excellent manner, passed Miss Law and made a game effort to cut down the lead held by Miss Hopkins. The work of the little Palama girl was one of the features of the evening.

Insanora as feminine swimming is taking hold throughout the country, practically beating out the mermen at present, there is bound to be an interest in swimming here. Miss Law is an excellent swimmer, although best over a longer distance. Had she not been troubled with an injured shoulder, there is no doubt about her making better time. In the Misses Hiorth, Hopkins and Kean, Honolulu has three future swimmers. Miss Hiorth ought to be able to cut down that mark in the September meet.

Carter Beats Lane

Another surprise came in the back stroke event when Buster Carter beat out Clarence Lane for second place. Lane has been considered in a class very close to Kruger in this event, and has usually given the Healani swimmer strong competition. Last night Buster Carter showed wonderful improvement, and although Kruger went for a record, Carter was not far behind.

Chapin of the Outrigger club was the dark horse to win the 100-yard event for boys. He surprised the swimming fans by beating out Matsugumsa, held the lead for the first 25 yards, but Chapin speeded up and passed the Palama boy.

Langer Wins Furlong

Ludy Langer proved that he was in good shape for competition when he finished ahead of John Kelli in the 220 yard championship race in 3.31 2-5, which was excellent time. For the first few laps Kelli kept even with Langer, but he lost on the turns, and from that time on the champion continued in the lead. Had Langer been crowded harder in the last lap, he might have cut down this mark somewhat.

Kelli was showing to form in the early stages of the race, and his powerful arms were bringing him along at a fast clip. Langer was speeding up though with a touch of the trudgeon in his kick, and his form and lodge of pace got him a victory over Kelli. Kruger did not enter as he had made a hard race in the backstroke.

Service Race

One of the most exciting finishes of the day was staged in the service race when Murphy and Pingry fought it out for first and O'Brien and Stacker battled for third. "Spud" of the Alert was always looking for one yard at the last lap and the race was on, but Pingry could not stand the speed and Murphy won out by about six yards. O'Brien and Walker finished even for third.

Capt. Pepin had no swimmer to cover Dodge of the Alert in the relay race, and consequently the latter won out by a good margin. The race was close at first, but Dodge soon took a good race and Pingry had no chance to catch Dodge with the big lead.

Successful Meet

The meet was carried out in an excellent manner, and the starting of Britton was unusually good. The special features appealed to the visitors and exhibitions in diving by Bob Fuller, Lorrin Thurston and Jack Cathcart were good. There were a number of spectacular dives, and Cathcart's lead dive from the stage in the Friday events. Hiorth is out form at this time, as his work both in the water was far from his standard.

Gen. Sam Johnson entertained a number of guests in his box last evening. Among those entertained by the Johnson were: Governor Lucius Pinkham, Gen. Charles G. Treat, Miss Ethel Cooper, Clifford Cooper, Lt. G. M. Robertson, Senator Charles Chillingworth, Senator Wm. Robert Shingle, Maj. Dougherty, Capt. and Mrs. Pepin, Mr. and Mrs. Walter Dillingham.

Clarence Lane, the fast speed swimmer of Palama set a new record for the 50-yard swim at the Y. M. C. A. last evening. He defeated John Kelli and incidentally clipped within one second of the world's record held by Duke P. Kahanamoku.

Harold "Stubby" Kruger is an excellent swimmer right along and he can also accomplish a great deal when he is performing in the back stroke. Judging from his performance last night, Harry Hebner is in danger of losing his laurels in this event.
