

Langer Sets New American Record For Five-hundred

Ludy Breaks Own Mark — Lane Better Hawaiian Indoor Time For Hundred

The first Hawaiian championship indoor swimming meet closed at the Y. M. C. A. last night in a blaze of glory and a shower of rain.

Ludy Langer set a new American indoor record for the 500 yard swim, 6:13 1-5, breaking his own record of 6:13 4-5, made at San Francisco in July, 1915.

Palama and Healani tied for first place in the total number of points for clubs with twenty-eight each. The disposition of the club cup remained undecided last night.

The Hui Nalu relay team, swimming as "unattached," won the club relay in a great finish, Palama being second, but the points of the race were credited to Palama, inasmuch as an unattached team is not a club team. This permitted Palama to tie Healani.

A new Hawaiian record for the 100-yard swim was set by Clarence Lane of Palama, whose time was :56 4-5, breaking the record of :57 2-5, held by himself.

Governor Presents Medals

Governor Pinkham presented the medals to the winners before the swimming of the club relay. The Governor complimented the swimmers on having caught the spirit of the times in taking "to the water." The President was about to force all to do that, and the Governor's guests already had done it. This raised a laugh.

The 220-yard service was a fizzle. It was declared no race because the starter's pistol was fired two laps too soon, at the end of the eighth instead of at the end of the tenth, and all the men stopped at the end of the ninth. Two finished the 220 yards. The race probably will be swum over at the September meet, it was said last night.

Last night's crowd was about as large as that of the first evening, Wednesday, when between 700 and 800 persons saw the races. Heavy showers fell, however, and there were many vacant seats when the meet closed.

Ludy Swims Great Race

Langer's performance in the 500-yard championship race was the outstanding feature. Ludy and Stubby fought it out; Rowat and Healani did not figure strongly. Langer and Kruger swam a close race for half the distance. Stubby outswam Ludy slightly on the straightaway, but lost his advantage on the turns. Toward the close of the race Kruger's turning improved much, and Ludy's deteriorated, but Langer called upon his marked staying powers, and slowly drew away from Kruger.

Kruger did not begin to challenge Langer until the last two laps. Had he challenged earlier Langer doubtless would have made better time than he did. As it was Kruger gained enough to push Langer's stroke a little faster, and Langer won by fifteen feet with Kruger gaining. John Kealoha was scratched in this race. Three of five timers caught the time at 6:13 1-5; the watch of another was between 1-5 and 2-5, and the fifth caught it at 2-5. The time stands at 6:13 1-5.

Kahanamoku Is a Whirlwind

The club relay, the last event of the two-day program, was the most spectacular of all. Palama finished with Lane, but Duke Kahanamoku, last for Hui Nalu, showed his world's championship speed, swimming at a tremendous pace, which would have broken the heart of any swimmer in the world, and Hui Nalu, or the "unattached" team, finished with eight yards or so to spare. Palama and the Healani were close together for a few laps, but thereafter Healani dropped back and left the race to Hui Nalu and Palama. The time was 3:18 1-5.

The 100-yard championship race was marred by two false starts, for which Capt. W. M. H. Britton was jeered by some in the crowd. The captain was entirely correct. Lane and Keli should learn that it isn't good form to beat the gun, which they did both times. Thurston showed his usual coolness and was in the water on the shot but not before.

When the men did get away it developed into a pretty race. Keli fouled Lane, getting far out of his course, but it made no difference. Lane won by six feet.

POINT-WINNERS BY CLUBS

The following table gives the club and service winners by total points for both nights. Only the open competitions are counted. The women's and other closed races being left out of consideration.

220 Service a Fizzle
 The 220-yard service, as stated, was a fizzle. Captain Britton miscounted the number of laps and fired his pistol, announcing the last lap, two laps too soon. The judges shouted to the swimmers, but all stopped. Murphy of the Alert, touching first at the end of the ninth lap. Walker stopped at the end of the tenth. Murphy and Pingry finished the eleventh in that order, but it was declared a no race.
