

ALL IN READINESS FOR A. A. U. MEET

Lighting System Tried Out Last Night and Found in Good Working Order

The lighting scheme for the A.A.U. swimming meet, which will be held in Honolulu on the evenings of tomorrow, Wednesday and Thursday in the Naval Slip, was tried out last night by the officials and found to be in perfect working order.

The electric juice turned night into day. The meet this year will have the advantage of being held in the cool of the evening, while the spectators will not lose anything because of the lack of natural light. The electric lighting of the slip will be satisfactory.

On each of the three nights the races will begin at seven-thirty and they should be well over in time for those attending to catch the last cars. To accommodate the public, said J. F. Soper last night, the Hawaiian News Company, Bishop Street, will remain open from eight in the morning to two o'clock in the afternoon tomorrow for the sale of tickets for the season or for any particular night performance.

The events and entries for each of these for tomorrow night are as follows:

SEPTEMBER 3

100-Yard Swim, Boys Under 15 Years

Palama—Shigi Matsumura, Mitrie

Konowloff.

Hui Nalu—Archie Kankanaui, Albert

K. Makinney.
