

SWIMMERS, OARSMEN TO DANCE TONIGHT AT OUTRIGGER CLUB

Swimmers and oarsmen will congregate at the Outrigger Club tonight at a special dance which is being given for their benefit. The arrangements, which have been in the hands of Harold Podmore, have been completed and promise many novel features.

All the visiting swimmers, all swimmers who made places in the recent championship swimming meet, and members of the Outrigger Club who swam in any race have received invitations. Besides, the members of the crews in today's races have also been invited.

Special music has been obtained for the occasion and a feature will be the serving of refreshments on the lawn near the dancing pavilion.
