SCHOFIELD BARRACKS, Oct. 17.—

Manager Lester of the 1st-32d Infantry nine is putting his charges through strenuous practise sessions this week in anticipation of the big game scheduled for next Sunday at Moiliili Field between the Blues and 25th Infantry. The two teams have clashed but once, the Wreckers emerging. However, a week later the chesty Wreckers succumbed to the coast defense aggregation, who in turn were trimmed by the 1st-32nd Infantry. The fans can now pick the winner.

The 1st-32nd Infantry team has been greatly strengthened by the return of Stratton and Boyle, who accompanied a guard detail to the states, and returned in time to appear in last Sunday's line-up, Stratton again resuming his job of first-basing, while Boyle cavorted around the keystone sack. Lester has three star pitchers to choose from in Mashaw, Brinza and Jackson. As Mashaw was particularly effective against the Wreckers while with the old 32nd Infantry regimental team, the saliva

The Big Race

A great race is expected in the fur-long between Miss Josephine Hopkins, the Outrigger entry, and "Kay" Law, the Canadian girl swimming unattached. Miss Law has changed her stroke under the tutelage of "Knut" Cottrell and has shown marked improvement as a result. Stop watches have clicked the girls almost to a second.

Entries for the swimming meet will close with Miss Marjorie Capps at the Hawaiian News at 5 instead of 1 o'clock, as the tryouts will probably last until 4:30.
