

# OUTRIGGER CLUB WILL RIG UP FISHING PARTY

## Kamehameha's War Canoes To Sail In Full Moon

Fish stories, some of them somewhat fishy, especially those relating to the Makapuu Fishing Club, have found favor in the sport columns of The Advertiser and Postmaster MacAdam has sent many of them to his friends in Washington, D. C., but this, which was received yesterday morning from "somewhere" around the Outrigger Canoe Club, has them all at sea:

"Big Fishing Expedition to Start from the Outrigger Club at 6 P. M., Nov. 28, 17.

"Kamehameha's three big war canoes with two others of the club will sail out to the fishing grounds off Diamond Head and anchor in sixty fathoms of water before the full moon goes on so the fish can't see the party.

"All the old-time fishermen of the club and the would-be's will be in the party."

This story will be continued in tomorrow morning's Advertiser.
