

OUTRIGGER CLUB TO STAGE SURFING TODAY

The postponed surf and canoe events of the Oturigger Canoe Club will be pulled off at nine-thirty this morning. As it will be the only real sport event of Thanksgiving morning it will surely draw a big crowd to the beach at Waikiki. Last night the Kamehameha war canoe went out for fish, which will be the basis of the big chowder to be partaken of on Saturday night, followed by a dance. This will bring the regatta month to a fitting close. Saturday afternoon will witness the final swimming races of the past month's big card.
