

OUTRIGGERITES

RIDE WAVES WITH SKILL OF CHAMPS

With the waves rolling in high and the sun high in the sky the Outrigger club yesterday afternoon pulled off their surfboard riding contest with unusual success. Outside of the "Pualeilani" the waves were rolling in to the best of advantage, but a strong breeze interfered a little. Nevertheless this setback compelled the competitors to use their utmost skill, and this they did.

Ernest Cook won the event for boys under 16 years of age. The keen competition in this event classed it as the best one of the lot. Edwin Peterson was a close second with one point behind Cook. A cup was the first prize in this race and it went to the winner.

The ladies' surfboard contest did not prove to be so keen as did the others, Miss Josephine Hopkins easily carrying off the prize. A cup was also presented to her. The cup cannot be kept permanently by Miss Hopkins, only her name being engraved on it. The mahihini and girls under 15 surfboard race were postponed owing to the lack of time, but will take place in the near future at an early date.

The events were as follows:

LEWIS STARS IN GAME AT FT. KAM

Lewis of Fort Kamehameha was the big star of the football game at Fort Kamehameha yesterday morning when the Coast Defense team defeated Battery A of the 1st Field Artillery by a score of 40 to 0.

Lewis is perhaps one of the fastest men playing football in Hawaii today, and those who have seen him in action believe that he is the fastest running half back in the islands. Lewis is faster than Davis, and appears to have an edge on the Y. M. C. A. star in punting. With McVey, Irwin, Stoddard and Lewis, Coach Meyer has a great back field.

Coach Meyer played two years on the navy team, and in these two years the navy won from the army. He has been coaching this squad into playing real football and the Coast Defense team looks to be the best coached team that has played in the city this season.

The Scores

A forward pass Irwin to Stoddard gave the Coasters the first touchdown. Lewis runs for a long touchdown. Lewis scored the third touchdown after a 40 yard run. A pass Irwin to Stoddard scores the fourth touchdown. Urban made the score 33 to 0, when he ran 40 yards for a touchdown and Lewis wiggled away for the last touchdown after a 50 yard run.

The next team which is scheduled to meet the Coasters is certain to have a real game. Coach Meyer and Lieutenant Tobin have lined up a strong aggregation, and with a stronger line would make the best in the islands play real football to win. The 1st Field Artillery had no defense against Lewis and McVey yesterday and although Hoskins and Taylor tried hard the odds were against them. The lineup:

Coast Defense—Urban, l. e.; Tansma, l. t.; Jensen, l. g.; Maxim, c.; Cantele, r. g.; Wingard, r. t.; Cosgrove, r. e.; Irwin, q. b.; Stoddard, l. f.; Lewis, r. g.; McVey, l. f.

Battery A—Roy, l. e.; Battersaw, l. t.; Meiny, l. g.; Dryzenski, c.; Ptok, r. g.; Hoskins, r. t.; Powers, r. e.; Ballentine, q. b.; Taylor, l. f.; Winkinson, r. h.; Hanshalter, l. h.

Paddling on surfboard, senior, ladies—J. Hopkins, H. Martin.

Paddling on surfboard, senior, men—H. Podmore, T. Norgaard, Duke P. Kahanamoku, C. Lambert, G. Ruttman, G. Spencer, R. Higgins, R. Rogers, Edric Cook, D. Center, R. Watt, J. Mackenzie, H. Harvey, P. Nottage.

Captain Talboa M. Papineau, of the Princess Pat's Regiment was killed in action. He was a grandson of Louis Joseph Papineau who took a leading part in the rebellion of 1837, in Quebec.
