

A. A. U. MEETING TO DECIDE FOR COMING EVENTS

A meeting of the Hawaiian Association of the A. A. U. will be held this afternoon at 4 o'clock at the office of W. T. Rawlins, president of the association. It is expected that the members will take up a number of matters in connection with the coming A. A. U. meet, and the date for the big event will perhaps be set at this meeting.

There has been some talk about the meet being on March 30 at Alexander Field, which is perhaps the logical date for the meet. There is more interest than ever before in the meet, and without doubt five strong teams will be entered in the various events. The Outriggers are out to win from the Honolulu Athletic Club, but both the Waikikis and the Pan-Pacifics are expected to cut into the points of the Outrigger Club, especially in the field events. With the date set for March 30, the various athletes will have more chance for training, and will naturally work for better marks.
