Saturday, March 30, has been set for the holding of the annual A. A. U. track meet, which will take place at Alexander Field, Punahou, beginning at one-thirty in the afternoon. This was settled at a meet held at four o'clock yesterday afternoon at the office of William T. Rawlins, president of the Hawaiian Association of the A. A. U.

Those present at the meeting were William T. Rawlins, president; John F. Soper, chairman of the registration committee; Joseph Stickney, secretary; George Dyson, representing the Army and Navy Club; G. P. Soares, Honolulu Athletic Club; W. H. Meinecke, Owen Merrick, Waikiki Athletic Club; "Dad" Center, Outrigger Canoe Club; Harold Godfrey, Harold Castle, Mrs. L. Fullard-Leo, and representatives of the press.

There was some discussion about dropping one or two of the field events, the discus throwing particularly. One reason advanced was that this sport is too heavy for the average untrained athlete, whatever all this may mean. It was decided, however, to carry out the entire program as arranged, and as it appears at the head of this story, there being eighteen events for the afternoon of the meet.

A suggestion was made in favor including the standing high jump and the standing broad jump, but as these events are more of the indoor variety the matter was finally dropped.

First suggested by The Advertiser, and espoused by John F. Soper and others, the five-mile run was made a certainty for this meet. There were some objections to having this event on the day's program, but the idea found enough champions to carry it through.

Bill Meinecke opposed the five mile run, he being of the opinion that its inclusion in the program would deter certain runners from competing in the mile.

Glenn E. Jackson supported the five-mile proposition.

"Get away from that one-man meet proposition," he said. "It is time to specialize and there are enough runners in the city and Islands to have more than enough entries in all events."

It was pointed out by Joseph Stickney that long-distance running has made a big hit in the Islands and that the five-mile classic would enhance instead of detract interest from the meet. Many runners are in condition to go out at a day's notice and make ten miles, he said. The five-mile inclusion carried, the A. A. U. doing the right thing at the right time in this respect.

Lorrin Andrews was appointed a committee of one to make arrangements for the financial end of the meet and, if possible, to obtain some firm to bear its expense. Last year the whole meet was financed by The Advertiser, which donated the cups, medals and other trophies won by the various victors.

The following officials have been selected for the meet:

Glen E. Jackson, referee; E. G. Bartlett, Charles K. Stillman, C. T. Fitts, H. N. Mosher, track judges; Prof. A. L. Andrews, clerk of course; A. E. Larimer, assistant clerk of course; B. F.
