

# VOLLEYBALL LEAGUE WILL BE ORGANIZED

Meeting Called For Thursday  
Evening In Directors' Room  
of Y. M. C. A.

Thursday evening, at seven o'clock, the representatives of the leading volleyball teams are requested to meet in the directors' room of the Y. M. C. A. Those representing the following teams and organizations are especially requested to be present—Outrigger, Palama, Oahu Prison, Kakaako, Fort Shafter, Fourth Cavalry, and any other organizations that desire to enter the proposed volleyball league will be welcomed to be represented.

The object of this league is to settle and decide the volleyball championship of the Hawaiian Islands and at the same time to devote the proceeds of the gate receipts to some benevolent cause, the same to be decided at the meeting of the representatives of the different organizations on Thursday.

## **Sport Taking Well**

Volleyball as a sport here in Honolulu and all over Oahu has grown by leaps and bounds and the proposed league to decide the 1918 championship is a move that will unquestionably meet with general favor and recognition, more especially because those behind the movement are actuated only by a true sense of sportsmanship, with no thought of financial gain as is demonstrated by the decision of devoting all revenue to a worthwhile benevolent cause.

At present the following men are representing the different town teams—Ben Clark, Palama; "Dad" Center, Outrigger; S. W. Robley, Kakaako. The names of those in charge of the Army teams at the present time are not known, but the above mentioned Army teams have through their friends and members expressed themselves as being desirous of entering a league with strong town teams.
