Two games were played in the Oahu Volleyball League last night in the "Y" hall and both were won by one-sided scores. In the first game of the evening the Kakaako Mission defeated the P. B. C. team in two straight sets of 15 to 7 and 15 to 1. While the second game of the evening went to the Outrigger Canoe Club, who put the rollers under the Headquarters Second Infantry by the scores of fifteen to two and fifteen to one.

The only real feature of the games was the excellent refereeing by Higgins, who did great work and missed nothing.

Kakaako Beats Portugal

In the Kakaako and P. B. C. game Apau, Coleman and Raymond did the best playing, especially in their work at the net, while Naone, Kea and Ah Fo did great defensive work. For the P. B. C., whose weakness is lack of consistent team play and passing, the best playing was done by Medeiros, Ferreira and Phillip. While being a fast aggressive player, Medeiros has one outstanding weakness and this is his inability to serve. Ferreira, while not having the speed of Medeiros, far surpasses him in serving, which is one of the real factors of the game.

The Headquarters team figured to win hands down but it was the old, old story and the unexpected happened with the Outriggers taking home the bacon in easy fashion. For the Outriggers in the first set it was all "Dad" Center who played the Ty Cobb role, scoring eight straight points before he was retired and during the time he was lifting them over the net his teammates were most certainly giving him great support.

The White Man's Burden

In the second set Smith took up the White Man's burden and drove in nine straight points, topping "Dad's" record by one. Stiekney, Westgate and Johnson also played a fine game. For the Headquarters team Brosch, Van Pelt and McClurg played the best game, but there is lots of room for improvement on the part of all.

The next games will be played on Friday night, the first between the Signal Corps and O. P. A. C. beginning at seven-thirty, while the second game of the evening, which follows, will be between the Korean A. C. and the fast Palama six.
