P. B. C.	0	3

Last night in the games' hall of the Y. M. C. A. the Korean A. C. climbed out of last place by defeating the P. B. C. team in two straight sets, 15 to 10 and 15 to 12. This game was interesting for the reason that in both sets the score at times swung back and forth, first the one and then the other side leading but in the closing innings of both the Koreans forged to the front winning out.

At the end of the ninth inning the score stood eight to one in favor of the Koreans when the P. B. C. team came to life with a bang and played rings around the Koreans until they had the score tied. Then they slowed up and once again they were left behind and again they came back and tied it up. With the score ten-all, the Koreans started a little spurt of their own and were never headed.

Just Like House on Fire

In the second set the Koreans once more set the pace and ran up a lead of seven to one and then the P. B. C. outfit did their best playing of the evening with Abel Rodrigues serving and the rest of the team playing like a house on fire. This spurt not only tied the score but gave them the lead and right then they looked like sure winners.

The score was nine-all a moment later and then the Koreans made it ten to nine with the P. B. C. a moment afterward tying it up again. This continued with lots of excitement until twelve-all had been reached when the Koreans took a decided brace and by hard fighting put over the three needed points, winning the set and the game.

Little John Park captured the honors of the evening as far as scoring points were concerned, getting nine of them out of fourteen serves and having no misses charged against him. Ferreira and Rodrigues divided honors for second place, each getting six points out of nine serves.

Pill played a sensational game and while making some very clever plays this was largely offset by several costly drives into the net that lost points for his team. Both teams showed marked improvement in their playing.

One Battle Postponed

The game between the Palama and the Signal Corps was necessarily postponed as the army boys were called out. The captains of both teams will get together and arrange to play the same off as soon as possible.

The next regularly scheduled games will be played in the Y. M. C. A. games' hall, Monday night, April 29. The first game will be between the Kakaako Mission and the Headquarters, Second Infantry, and the second game between the Signal Corps and the Korean A. C.

The Palama first and second team played a practise game in the place of the postponed one last night, the first team winning three straight sets, 15 to 5, 15 to 13 and 15 to 7.
