

JARRETT DEFEATED BY "DAD" CENTER

Volleyball Team From Kalihi-kai Castle Finally Downed By Beach Experts

Last night in the games hall of the Y. M. C. A. the Oahu Prison volleyball team went down in defeat before the first Outrigger Canoe Club. To say that the result of the game was a surprise is to put it very mildly.

In the first set the O. P. started in as if they were going to make short work of the beach team and ran up a score of 6 to 2 and it was right there that "Dad" Center's bunch showed that they had the punch by playing them even and for a time taking the lead.

The O. P. won the first set, however, by the score of 15 to 10. After the first set the crowd kind of leaned back and was getting ready to see the O. P. use the steam roller and sort of smother under the beach gang, but the beach outfit could not see it that way and they went after the O. P. team like the New York Giants would go through a Texas bush league.

At the end of the fifth inning the score stood, Outrigger 5, O. P. zero. At the end of the tenth inning the score stood, Outrigger 10 the O. P. nothing and at the end of the fourteenth inning the score stood just 14 to 0 in favor of the Outrigger and then the O. P. boys by some desperate playing scored four points and the second set ended a moment afterward, Outrigger 15, O. P. 4.

Outriggers Make Good

The third and deciding set opened with the O. P. men playing as they never did before and the Outriggers putting up the best game of their lives. At the end of the second inning the O. P. had scored two and the Outriggers were held scoreless.

At the end of the fourth inning the score was even, two-all and then the Outriggers resumed their net slashing of the second set and did some awful execution, running the score up to 10 to 2.

With the score 10 to 2 against them, the O. P. dug in and held the Outrigger for a time, while they, by the hardest kind of work made four more points, thus bringing the score to 6-10. Then the Outriggers scored another making it 11 to 6. The O. P. again tightened up and held the beach team scoreless while Roberts serving five points, making the score eleven-all.

Too Much Johnson

Roberts did the serving but it was the wonderful playing of Paahana at the net that got Roberts the points, for his net drives were perfect. With the score tied "Dad" Center went to serve and he scored two points, assisted most ably by one Mr. Johnson and may it be said in favor of the notorious Johnson Tribe that they did one good job for the Outrigger volleyball team when they turned him out, for it was too much Johnson that was largely responsible for the final defeat of Mr. Jarrett's players.

With the score 13 to 11 against them, Tearo went in to serve for the O. P. and he scored three hard-fought-for points and once again Paahana was the star and even when the O. P.'s lost the ball to the Outriggers they looked sure winners, but their hopes were rudely shattered when Willard tied the score fourteen-all and then a minute afterward won the game by scoring another one.

"Dad" Center Happy At Last

"Dad" Center has at last got together a mighty fine team and they sure have the goods. In fact, any team that can beat the O. P. players must sure be there. Both teams made one hundred and twelve serves from the net and only two balls were lost

The Saints are playing at Los Angeles.

Another close battle was that staged in San Francisco between the Seals and the Bill Rodgers' Solons, the Seals nosing out a victory by a bare run. The Seals and Senators have broken even in the week's series so far, each club winning two games of the four played. Yesterday's score: San Francisco 4, Sacramento 3.

At Los Angeles the Seraphs repeated on the Del-Howard men, winning over the Oakland Acorns without very much trouble. Wade Killifer's crew seem to have taken a new lease on life and are playing good ball. The Angels have captured three of the four games played this week with Oakland. Yesterday's score: Los Angeles 6, Oakland 2.

The following Coast League notes are from late San Francisco papers:

SAN FRANCISCO, April 17—President Baum returned yesterday from Los Angeles. He says Vernon has a regular ball club this year and has been winning on merit. Los Angeles fans are all talking about De Vorner, the young catcher Bill Essick brought out from the Central League. He is a lanky lad who is showing all kinds of class. His catching is first class and he is hitting hard and often. He was supposed to be the second string catcher, but he is forcing Moore to sit on the bench.

Oakland players subscribed for \$2500 worth of Liberty Bonds Monday as soon as they got their pay.

Failing to get an outfielder from the major leagues the owners of the Seals have resumed negotiations with Senor Calvo, the eminent policeman of that dear old Havana.

Bill Rodgers and his gang fight just as hard when they are behind as when they are ahead, according to those who have seen them play. That kind of spirit will carry them over many tough spots.

Eddie Mensor turned in his suit yesterday without a word of explanation and quit the Oaks. Portland papers have printed Eddie's picture with stories that he was going to join the Shipbuilders' League there and he may have had that in mind when he quit the Oaks.

Ralph Frary umpired yesterday's game in his street clothes. His trunk got lost on the way from Los Angeles so he had no uniform. He will be properly garbed today, for the trunk has been located.

With Bill Rodgers and his men putting all kinds of life into the game and Umpire Frary yelling for the players to keep hustling, the fans were given a real treat yesterday. Keep up the good work, fellows.

on the serve, one by Fassoth of the Outriggers and one by Tearo of the O. P.

Willard for the Outriggers was the high point man with sixteen points out of nineteen serves, Johnson second with nine out of fourteen serves and Paahana third with eight out of eleven serves.

Center did the best defense work ever seen in any game at the "Y" and Johnson, Smith and Fassoth made net drives that simply shattered the defense of the O. P. team. Last night's game was the best played and best attended of any of the games yet played. Pat Gleason was there, too, but he did not smile.

Mendez evening at seven-thirty the P. B. C. and the Headquarters team, Second Infantry, meet the first time and the Signal Corps and the Kakaako Mission meet in the second tilt of the evening.

CROUP

This disease is so dangerous and so rapid in its development that every mother of young children should be prepared for it. It is very risky to wait until the attack of croup appears and then send for medicine and let the child suffer until it can be obtained. Chamberlain's Cough Remedy is prompt and effectual and has never been known to fail in any case. Always have a bottle in the home. For sale by Benson, Smith & Co.—Advertisement.
