Displaying a variety of team work which was unbeatable, the Palama volleyball team captured the honors at the Y. M. C. A. last night when they downed the Outrigger Club aggregation in two straight games. The victory gives Palama the championship, and they richly deserved it, as they played a great game throughout the evening.

The first set was hotly contested. With the score a tie at 13 all, Amoy served and two wicked cut shots by Parker and Brash gave the set to Palama. Brash and Parker were bright stars in this set and Rosehill was a wizard in saving his team at critical moments.

of speed during the second set, but the Palama aggregation played together like a well oiled machine, and the boys from the beach could make no inroads on Ben Clark's aggregation. Palama missed a number of shots close to the net and they failed to follow up the play at times. Center, Johnson and Stickney were always in the game and Fassoth showed some great play at the net.

In the second game of the evening the Oahu Prison contingent defeated the Kakaako Mission in straight sets. Pahana and Gregory showed to form for the O. P. team, while Coleman was the player who made the most points for Kakaako. Higgins umpired the game in an efficient manner.

The players selected for the all-star team have been the bright and shining stars throughout the season. Sam Robley, Ben Clark, Gomes, Higgins and others who have followed the play throughout the series agree on at least five of the men for the first team, and the second team is picked from a selected group who have made good.
