

# Entries For Track and Field Meet To Close Tomorrow

Waikikis, Honolulu, Outrigger-  
ites and Twenty-fifth Infantry  
To Be Main Contenders

Entries for the Territorial Fair A. A. U., track and field meet, which will be held at Kapiolani Park the afternoon of Saturday, June 15, will close with Chairman Howard N. Mosher at the Army & Navy Y. M. C. A., tomorrow—June 5. All those desiring to compete must not only file their entries but they must also have been properly registered with the A. A. U.

The Waikiki Athletic Club, Honolulu Athletic Club, Outrigger Canoe Club and the Twenty fifth Infantry will be the main contenders for points, cups and other trophies.

Captain Weston Dower, Prof. Arthur E. Wyman, and Thomas Hore, who have the running of the Waikiki Athletic Club track and field team, are leaving no stone unturned in their efforts to have their athletes win the meet. Waikiki finished second to the Twenty fifth at the annual A. A. U. meet several months ago, the Schofield aggregation nosing out a victory by only a few points in the lead. It was Waikiki's first year on the cinder path and the sawdust pit. The Honolulu and Outriggerites are not asleep, either.
