

OUTRIGGER VOLLEYBALL

WINS AND LOSES, TOO

The volleyball team of the Outrigger Canoe Club motored to Schofield Barracks yesterday morning and played Companies C and D of the Third Engineers and also the Signal Corps. The boys from town won the match against Company C of the "Bridge Builders" two out of three sets, and three out of four against Company D of the same regiment, but lost to the Signalers, three out of five. Both engineer companies played well and certainly improved since the last matches on the Beach at Waikiki. All they need is more cooperation among themselves.

The Signalers showed great improvement since they met the beach-combers and played a heady game from start to finish. Ross and Lambert were the best on this all-star team. The Outrigger boys and especially the "kids" will always remember the fine dinner and supper prepared by "Tiny", the chef of the Signal Corps.

Menu—Tomato soup, roast pork and apple sauce, asparagus and alligator pear salad, olives, assorted pickles, cake, mince pie (like mother used to make), grape juice a la Bryan, crackers, bread, butter, and many other good things.

One certainly can't blame the town boys for losing a game after such a meal. "Dad" Center and "Freckles" Smith are not over it yet.

Outrigger—Harold Harvey, Warren Dease, Warner Smith, John Morse, Fred Bailey, B. Lindsay, Kenneth Decker, George Ruttman and "Dad" Center.

Signal Corps — Lambert, Brown, Bowers, Ross, Shepard and Graman.

Referees—Eddinger, Ross, Smith and Dease.

The Outrigger hopes to play all the teams again on its courts on the beach.
