

OUTRIGGER VOLLEYBALL JOURNEYS TO SCHOFIELD

"Dad" Center and his volleyball team made a long journey out to Schofield Barracks yesterday morning and played the C and D companies of the engineers and the signal corps. The boys of the Outrigger Canoe Club won two games and lost one. The first match was won in two out of three sets and the second three out of four sets. The local boys met defeat, however, when they went against the signal corps team, which took three out of five sets.
