

BIG ENTRY LIST FOR BASKETBALL

When the Oahu Service Basketball League opens for play about January 1, or immediately after the football season closes, there will be anywhere from fifteen to twenty teams in the circuit. And not only that but practically every team will be fast and of championship caliber.

Among some of the likely entrants are: Marines, Navy, Department Hospital, Outrigger Club, Y. M. C. A., National Guard, Fort Kamehameha, Fort Ruger, Fort De Russy, Officers Team at Schofield, 1st Hawaiian, 2nd Hawaiian, Signal Corps, Quartermaster Corps and perhaps a Department Headquarters team.

J. Ashman Beaven remarked the other day that he has been stopped on the street almost every day and told that such and such a unit is sure to enter a team in the basketball league and would he, therefore, reserve a place for them in the league.
