

NAVY TEAM DROPS OUT OF CIRCUIT

With the withdrawal of the Navy team from the Oahu Service Basketball League, the circuit now contains eight clubs. The Outrigger Canoe Club which drew a bye in the first round has consented to take the niche of the navy team and fill out the first set. The first doubleheader will probably be played on Saturday, January 25, or Sunday, January 26. The present outlook is for doubleheaders Thursday nights and Sunday afternoons.

In withdrawing his team Dr. A. E. Nichols wrote to the secretary of the league as follows:

"Unforeseen circumstances have arisen making it necessary for me to withdraw the Navy team from the Oahu Service League basketball series. We have combined with Fort Kamehameha, forming a team to be known as the Kam-Navy, under management of Lieut. A. B. Wells. The new combination takes the place of the Navy and Coast Defense teams."
