

# TWO DELINQUENTS GUM UP THE SHOW

Everything would be lovely and perfectly plain sailing in the Oahu Service League if two certain teams would send in their list of players to either J. Ashman Beaven, president, or Mike Jay, secretary, of the circuit. These lists must be filed with the A. A. U. and unless those two teams file soon, the show for Saturday and Sunday is going to be gummed up some considerable.

The schedule calls for a doubleheader Saturday afternoon at Moiliili field. The first game will start at 2:30 o'clock and the second 10 minutes after the first finishes. The Coast Defense meets the College of Hawaii and the Marines take on the Wireless.

On Sunday afternoon at 2:30 o'clock another doubleheader will be staged with the Signal Corps tackling the Department Hospital and the Outrigger Club meeting the 1st Hawaiian.

Now there are two teams in the above mentioned eight who have failed thus far to file a list of players. This must be filed so that the league will know who is playing in the circuit.

The other six teams have filed and are to be complimented for their speedy work in returning the required papers but the two delinquents who are gumming up the show should remember that the league is being operated, not for the benefit of the hard working officers, but for the benefit of the participants.
