

ALL SET FOR BASKETBALL SEASON

Despite all efforts to hamper, on the part of Old Man Flu, the Oahu Service Basketball League has managed to get everything lined up to stage its schedule. The games will be played outdoors at Moiliili park and the first doubleheader will take place Saturday afternoon at 2:30 o'clock.

J. Ashman Beaven announced this morning that work of rolling the court will commence today. The baskets

are already in place and all that remains after the court is rolled is to have it properly marked off.

The fixture Saturday calls for a meeting of the Coast Defense team with the College of Hawaii and the Marines against the Wireless. Both games should be good.

The Coast Defense have a strong heavy outfit while the College has a fast five. The Marines and Wireless

are dark horses at present.

The Sunday game calls for a meeting of the Signal Corps with the Department Hospital and the Outrigger Canoe Club and the 1st Hawaiian Infantry. The Department Hospital has a wonderfully fast team, but the Signal Corps is reputed to be fairly active, too. What the 1st Hawaiian will bring out is uncertain, but the Outrigger has a good team.
