

SENIOR GRID MEN TO MEET TO ORGANIZE

Initial steps towards organizing a football league on this island will be taken at a meeting called by Bill Inman of the Outrigger club for next Monday night. The meeting will be held in the editorial rooms of the Star-Bulletin on Merchant street at 7:30 o'clock.

Those invited to be present include representatives from the Outrigger club, the College of Hawaii, the town team and the 6th Aero Squadron. Bill Inman wished it expressly stated that this is not a meeting called by the Oahu-Service league and that it has nothing to do with that organization. This is to be a meeting of the representatives of the various teams with a view to discussing plans for a separate league and a short season. It is understood that if a league is formed and a series of games played for the title a cup can be obtained.
