
Outrigger Men Hold Workout by Light Of the Silvery Moon

(Special Star-Bulletin Correspondence.)

By the light of the silvery moon the Outrigger Canoe club football team had its practise yesterday. Up and down Makiki field for 45 minutes these gridiron warriors chased along. This is the first time that a football practise in the moonlight has been recorded.

The surfriders are confident of slipping one over on the Manoa institution. Speed and pep are the two things that Coach Inman has endeavored to stimulate in his squad, and the results of this game will show whether or not he has succeeded. Last night the surfriders were put through one of the stiffest workouts in weeks. For nearly an hour Bill drove his herd up and down Makiki field, executing play after play without taking any time out except to correct some players position or explain some new formation. Although worked to the limit this week the boys show no effects of the hard grind, and are counted on to make things hum Saturday.

Joe Stickney, C. Willis, Dave Kahanamoku, J. McKinney, T. Singlehurst, W. Bryant and Stan Waldron will be held in reserve. The game is to be called at 3 p. m. sharp, and as this appears to be the best event on the football card for the day a large crowd is expected.
