## LISTEN TO HIM

"My Townies should defeat the Outriggers by at least three touchdowns. The Townies are in perfect condition and should play their best game. I doubt if another team could be put together to beat us and in saying this I mean no disparagement in regard to Bill Inman's Outrigger outfit. They have a strong combination, but I don't judge it strong enough to beat us."—

"Scotty" Schuman, manager and coach of the Honolulu Town Team.

## AND HEAR THIS ONE

"Admitting that the Townies have a great football machine, I expect my Outrigger bunch to beat them by at least one touchdown, although there is a possibility that the two elevens might draw in a tie score, although quite unlikely, for the Outrigger eleven will be in this game to win. We have gone through the season as a fighting eleven and I really expect to see the Outriggers keep this up."—Bill Inman.

## Townies Seem Favorites

When the whistle blows for the kick-off in the afternoon's great football battle between Bill Inman's Outrigger team and "Scotty" Schuman's Townies at Moiliili Field it is expected that practically every football fan in the city will be in the grandstand, the bleachers or along the side lines. The game will begin promptly at 2:30 o'clock and should be Honolulu's classic of the 1919 gridiron season.

Both coaches and managers are sanguine of victory. The Townies, judging by street-corner gossip and the way fans talk in dollars and cents, appear to be the favorites, although there are many who believe that if the breaks, such as always occur in every game, go the way of the Inmanites the Outrigger eleven has a fair chance of victory.

Without question, today's Moiliili Field game should be a fast and hard-fought one, for both sides are on edge and anxious for the whistle. Capt. Bill Rosa's Townies haven't a man on the injured list, their game with Lake Field last Sunday having been particularly fortunate for them in this particular. Then, too, the Townies are flushed over their signal defeat of the Lake Fielders last Sunday and imbued with the idea nothing whatever can come near beating them.

In last Sunday's game the Townies, though it was their first battle of the season, showed everything there is in football. They had the weight and speed and the faculty of doing the right thing at the right time.

Capt. Gilbert M. Canario's Outrigger outfit goes into today's game also imbued with great confidence, for they too, defeated Lake Field with an ease that was marvelous and they also took the great Post Football Team at Schofield into camp by a flattering score.

## Canoe Men Confident

The Outrigger men have figured already in four games this season, as against the Townies' lone game last Sunday, and they claim that practice makes perfect and that the Townies will have to turn practically the mirrenulous to overcome these several little disadvantages. They have won two games, tied in one and were worsted in another and that by the College of Hawaii gridists.

On the whole, it is expected that today's offering at Moiliili Field will be the real thing and something the fans should not miss. It will be over in time for the fans to hop across to Kailua and watch the closing stages of the Kam Pua exhibition game.
