Honolulu football fans will get a chance to see two good gridiron teams come together when the Town team and the Outrigger Canoe club team meet at Moiliili field at 3 o'clock tomorrow afternoon.

The Outrigger Canoe club has been visibly strengthened by the addition of several Punahou stars. Searle at quarterback is a welcome addition to the team and with Spencer of Hawaii and Hoapii of Punahou in the backfield the surfriders should put up an excellent game.

Crippled

The Town team on the other hand appears to be somewhat crippled. Rodrigues, the star left end, who was carried off the field in the last game, has not been well since and will be unable to perform. Andrews is another star who will be absent from the lineup. The last named suffered an injured shoulder.

According to the reports in circulation about town, the Outriggers are offering 10 to 7. The general opinion prevails that the Town team will prove an easy victim.
