

SIX OR PERHAPS SEVEN TEAMS IN A. A. U. LEAGUE

Organization of the basketball league to be conducted by the Hawaiian branch of the A. A. U. will take place next week. C. A. Pease, physical director of the Y. M. C. A., has the matter in hand and this morning announced the night of Friday, January 16, as the date of the organization meeting. The session will be held in the Y. M. C. A.

New Teams

To date there should be at least six teams in the league and possibly there may be seven. The Braves are planning to enter a team with Pat O'Sullivan as coach. The club, through the efforts of Samuel W. Robley, has secured the use of the Kakaako "gym" for practises which will commence Monday evening at 5 o'clock.

The Waikikis are also planning to enter a team. No announcement has yet been made as to who will coach the association. The All-Chinese Athletic club has already put in a bid for a place in the circuit and is developing a strong and fast outfit.

Two Clubs

The Outrigger Canoe club has two senior teams, both of which are fast and both of which can hold down a place in any of the major circuits. Forty-eight players turned out for the team and Piercy H. Nottage was agreeably surprised with the large number.

The Palama Settlement has a star team that will be entered in the A. A. U. league and the Honolulu Athletic club has also asked for a berth in the circuit. There is also a possibility that the College of Hawaii, which has already entered the Big Five league, may also place a team in the A. A. U. league.
