

# Many entries In Sight For A.A.U. Track Meet

According to present prospects, the number of entries in the annual A. A. U. track and field meet to be held on Alexander Field April 10, will exceed those at any similar meet ever held in Hawaii. Although the entries will not close until April 3, already so many athletes have signified their intention of competing that the officials are seriously considering the advisability of holding trials several days before the regular meet.

The Outrigger Canoe Club will have two score or more men entered, the Waikiki Athletic Club is making ambitious plans, the Braves Athletic Club also intends to enter quite a number of boys, and so do the All-Around Chinese Athletes. Reports from Schofield Barracks are to the effect that the troopers are preparing to descend upon the civilian population of Honolulu and show it what Unele Sam's regulars can do in the way of athletics.

A meeting of the games committee will be held on April 5, at which time it will be decided whether or not trials will have to be held on a separate day or can be run off on the day of the meet.
