

ONCE more the George Washington has been on the job and presents herewith for the consideration of the fans the scenes below, which were snapped at the annual A. A. U. Hawaiian championship track and field meet held on Alexander Field yesterday afternoon. This is the first time for quite awhile that the George Washington has not been called upon to decide disputes as to finishes in track meets. The photographs themselves tell why. Left to right, top, Sam Hipa (P) clearing the bar in the high jump at 5 feet 8 inches; finish of the 100-yard dash, showing Cliff Melim leading Tin Luke Wong by quite a distance; "Jinky" Crozier (O), second highest point scorer of the day. Center, finish of 60-yard dash, with Melim again winning and Lizama (WAC) second; Wayson Williams (WAC) clearing the bar in the pole vault. Below, "Buck" Aarona (WAC) winning the 120-yard high hurdles, Canario (O) being second and McGuire (O) third. Wallace Harding, Marine Corps, winner of the one-mile run. Lydgate (O) winner of the shotput. Cliff Melim, the Outrigger's star sprinter and high point winner of the day.
