

ARMY-CHINESE GAME IS CALLED OFF; FOOTBALL WILL BE SUNDAY'S CARD

"Military Reasons" Given As Cause of Blow Up of Baseball Game; Outrigger and Navy Match Is Prepared

"For military reasons," whatever they may be, the All-Army baseball team will not play the All-Chinese on Sunday at the local baseball pasture. This announcement was made by the morale officer of the military force yesterday at which time it was stated that an order had been issued that would prevent the appearance of the army team, much to the regret of all parties concerned.

Honoluluans who are anxious for a little Sunday afternoon excitement, however, need not go afield for the same, for if present plans are fulfilled a hot contest of football will be staged on Sunday afternoon at Moiliili between the Outrigger and Navy teams.

Robinson Again To Lead Dodgers In Pennant Race

NEW YORK, October 23—(Associated Press)—Charles H. Ebbets, president of the Brooklyn Club of the National League, yesterday announced that Wilbert Robinson, who led the Dodgers to victory in the National League pennant race, has contracted to manage the team for three years, virtually upon his own terms. Robinson was given a bonus for winning the league pennant for 1920.

Consult Navy

This game had been scheduled to take place at Pearl Harbor on Sunday morning, but upon receiving word of the action of the military authorities the management of the ball park communicated with Esmond Parker of the Outriggers and proposed the game at Moiliili. The new arrangement was satisfactory to the Outriggers and will undoubtedly be so to the Navy officials, who will be consulted in the matter this morning.

Therefore it is a pretty sure shot that the Outrigger and Navy football aggregations will meet in a big time contest at the local lot on the Sabbath afternoon.

Team Improved

Navy is reported to have improved remarkably since their first game with Palama. At that time the Pearl Harbor Athletic Club team had not been worked into shape by actual contact with an enemy team, and the positions were not definitely assigned. Since the defeat administered by Palama the sailor team has been shifted around in many places and the weak spots have been bolstered up with the result that a hard plunging and fast team is to represent the club.

Outrigger is in good shape and has been working out often with local teams in the Interscholastic league in preparation for the major football season. The meeting of the two teams should be an interesting and edifying one. All members of the P. H. A. C. will be admitted free to the grounds.
