

PUNAHOU HUMBLER VARSITY TEAM IN SCRIMMAGE GAME

The University of Hawaii football team took a large dose of humble pie yesterday when the Punahou team in a practise game scrimmage scored a touchdown. Overconfidence and weak defensive work helped to defeat the Varsity.

"Pump" Searle scored the touchdown for the Puns on a straight line buck. The Varsity first team held well enough, but showed little brilliance, and when the second squad went in the Puns found the playing to their liking and scored.

The only two men to stand out were Lambert and Hanohano. The latter especially demonstrated that he had recovered his old-time form. The remainder of the team did not play like it should, so the critics who viewed the game declare.

Friday afternoon the Varsity will scrimmage the Outrigger Canoe club team at Cooke field. The practise will start at 4:30 o'clock.
