

# PUNMEN HAVE WORKED REAL HARD ALL WEEK

Fast and snappy practise with several scrimmages mixed in with it has been the lot of the Punahou football squad for the past week in preparation for the coming game with St. Louis tomorrow. This has given all of the boys a good try-out and much good material has been brought out in this manner.

Last Monday the first team went up against the second for about half an hour of hard scrimmaging. On Tuesday the first team bucked the Outrigger team for a while, Hoopii and Searle making several large gain. Wednesday they went in against the University of Hawaii for one half and came out with the larger end of the score, Nick Hoopii making several long end runs and "Pump" Searle bucking the line like a veteran.

Of former first team men there remain "Pump" Searle, Nick Hoopii, Jimmy McNicoll, Henry Copp, Billy Isaac, Edwin Peterson, and "Bush" Carter. "Pump" Searle, besides being field captain for the Buff and Blue, still holds down his old position at full. Nick Hoopii holds down his old place as left half and is just as speedy going around an end as ever. Peterson plays right half. Copp and McNicoll retain their old positions as ends, Isaac has been shifted from his old position of guard to a tackle, and Carter still plays a guard.

## New Men

Of the new material Edwin Fernandez, a last year's midget player, holds down a job at center; "Bean" Waters, a new man in the game, Hector Moir, and Eddie Crowell, a last year's sub, are doing well as guards, Dick Perry, a former McKinley player; Alec Cleghorn, formerly of St. Louis, and Fred Trotter, Gordon Young and Fred Pogue, who played for the Midgets last year, are showing up as good tackles. Chris Willis, a member of the Outrigger team last year, and Joe Katsenuma, a former Midget, are making good as ends. Ralph Ault, who played on the H. M. A. team the last two years, is making good at quarter and Johnny Morse, Roy Jacobson, and Don Smith are doing well as sub backs. Kenny Auld, star half back for Kam last year, will be unable to enter this coming game on account of a bad ankle but he will be able to play all the rest of the games.
