# ALL TEAMS TIED FOR OAHU GRID HONORS

---

All four teams in the senior football league are now tied for honors as a result of the games over the weekend. It may be necessary to play a game on December 26 to determine which is the strongest team to meet the University of Nevada on New Year's Day.

The Outriggers have beaten the University, the college lads have beaten Palama, Palama has beaten the Waikikis and the Waikikis have beaten the Outriggers. Which leaves the dopesters up in the air as to the superior team.

The game scheduled for next Saturday is between the University of Hawaii and the Waikikis. On Sunday the Outriggers will tackle Palama.

On Christmas Day the University of Hawaii will play the University of Nevada, which is due to arrive here a week from tomorrow.
