

NATIONAL GUARD IN SOCCER LEAGUE ALSO

Half a dozen teams entered the Honolulu Soccer association at the meeting held last Saturday night at the Commercial club.

The following were representatives of clubs, with the teams they entered: R. W. Thacker, Schofield Service club; William Bell, proxy for Alex Ross, National Guard; Thomas Muirhead, Rangers; Fred C. Bailey, Outrigger Canoe club; George Low, Healani Yacht and Boat club, and G. R. Virgo, Palama Settlement.

The unexpected entry came from the National Guard which had said nothing of going in for soccer up to the time of the meeting. A. C. Hickman and Jack Simpson volunteered to aid Palama in coaching.

It was decided to have a 30 game schedule with the season opening on January 8. Drafts of players will be made from the older teams to strengthen the other teams.

The drafting committee is composed of William Bell, president; J. M. Macconel, vice president, and S. J. C. Todd, secretary, with Bob Anderson and J. C. McGill.
