

# STRONG OLD TEAMS LINE UP FOR END OF SEASON

## Reinforced Elevens Will Play On Last Two Scheduled Dates of Major Division

The Outrigger Football team will be greatly strengthened this Sunday when it meets the Palama eleven in their scheduled game. Yesterday "Pump" Searle and "Niek" Hoopii turned out in the beachcombers' uniform and will be ready to play this week. Both boys easily made the Interscholastic All-Star team this year and were the mainstays on the Punahou squad. The acquisition of these two will improve the line-up of the Outrigger eleven for it was in need of a few more backs. With the coming of these two, "Jack" Slade will be shifted to quarter where he will be able to run the team. If Slade can get in condition he will give the Clubmen just what they need. Stiekney, Hart, and Hollinger will also be used. This insures the Outriggers six fast and steady men in the backfield with Campbell in reserve. The Outrigger line will be strong, with Withington, and Hiorth at the guard positions and Anderson back at center. Kahanomoku and Boyd will play the tackle positions while Fuller and Bill Thompson will again be seen at the ends of the line.

The Waes will present a much stronger line-up than last week. Reliable old Buck Aarona will once again get into uniform and will undoubtedly play, "Mac" Rosa will be out from the injured list and will play quarter again. Crabbe, Thurston, Rosa and Wilson will be used at the other back positions. It is reported that a so-called "dark horse" will don a Wae uniform for the game Saturday. Bill Clarke will play center with O'Sullivan, and Robinson guards; Gilman and Herman Clarke at tackles, and Kanoho and Rodrigues on the ends. This will be the strongest line-up that the Waes have presented this year.

The Pals and the Varsity, the other two teams who will oppose the two club elevens this week-end will probably start the same teams as last week. Very few injuries were suffered and on the whole the men are as fit as they were before the games. The Varsity will welcome back to the fold, "Sonny" Rutman, but it will be a serious question whether he will play as his ear is still giving him considerable trouble. As it looks now the Pals and Varsity will go in with their strongest teams and will not take a defeat without a hard fight.

The week-end games are:

Varsity vs. Waikiki, Saturday 3 p. m.

Outrigger vs. Palama, Sunday 3 p. m.
