

THIRTY-FIVE TAKE

PART IN WORKOUT

Thirty-five players last night took part in the workout of the Outrigger Canoe club football team at Alexander field. The surfers are preparing for the game Saturday against the University of Nevada, which defeated the University of Hawaii 14 to 0 on Christmas Day.

The workout started at 4:30 o'clock, and it was 6:15 o'clock before Coach Paul Withington called a halt. The first and second elevens, the latter strengthened by the addition of Atherton Gilman, bucked each other. The backs put in their time at forward passing and also blocking forward passes. There was also some dummy scrimmage work.

A big crowd of fans turned out to see the surfers work. The mob became so great that it was necessary to get some of the anxious fans off the field because they were interfering with the workout.

And then after the long workout was over every man on the squad was ordered to run around the field four times.
