

# FIREMEN PACK TOO MUCH SMOKE FOR CENTRAL 'Y'

## Victory Last Night Just About Sews Up Volleyball Title For Fire Boys

Firemen beat Central "Y."

Outriggers beat A. C. A.s.

That time-worn adage, "class will tell," best describes last night's sizzling hot volleyball clash between the Fire Department team, captained by Henry Kipi, and the Central Y. M. C. A. sextet at the new Army and Navy "Y" court in the A. A. U. league series.

Manager Eddie Boyle's fire-fighters put too much smoke into their spikes and before 250 loudly rooting fans won impressively and convincingly. The scores were 15-13 and 15-11.

By downing Coaches Charles Wagner and Merrill Porter's troupe from the Alakea-Hotel corner institution last night, the Fire Department practically sewed up the championship, as the remaining teams, except the Palamas, are expected to be easy pickings.

### Outriggers Win

In the nightcap last night, the Outrigger Canoe boys paddled the A. C. A.s in straight sets, 15-12 and 15-4. Tom Singlehurst's surfriders virtually outslammed anything the Dragons could put forth.

Results of the twinheader created the following standing:

	W.	L.	Pct.
Fire Department .....	3	0	1.000
Hawaiian Pines.....	2	0	1.000
Central Y. M. C. A.....	1	1	.500
Palama .....	1	1	.500
Outrigger C. C.....	1	1	.500
A. C. A.....	0	3	.000
Nuuanu Y. M. C. A.....	0	2	.000

### Outfoxed

The Central "Y" boys were outfoxed and outmaneuvered by the Fire Lads who nipped the attempted slams of Bill Maket, Brede Karratti and Alec Karratti in the bud. The Firemen leaped up to block Central "Y" killings all night and there was the secret of the victory.

And the feeding of the winners was almost perfect. Robert McCabe, Bill Kamai and Dan Kaopuki played superbly in this department while Captain Kipi, a real leader and field general, starred in all-around work. Considering that Kipi played under the strain of a sprained ankle, he did magnificently. Joe Silva and Barrett came through with their terrific "hookees."

The Central "Y's" play was marred by inconsistent feeding. Maket and the Karratti boys did not slam so effectively as they did in previous games.
