

# Fire Department Practically Wins 1929 Senior Volleyball Gonfalon

Fire-Killers Take Down Hawaiian Pines In Straight Sets; Central 'Y' Bumps Outrigger Canoeists; Firemen Have Only To Beat Outriggers To Cop

Firemen beat Pines.  
Central "Y" beat Outriggers.

Displaying championship ability, Eddie P. Boyle's Fire Department sextet last night sewed the senior A. A. U. volleyball gonfalon a bit tighter by extinguishing the Hawaiian Pineapple hopefuls in two straight sets, 15-9 and 15-8, at Central "Y" court in the feature game of a doubleheader.

In the other game the Central "Y" boys packed too much class for the Outrigger Canoeists. Coaches Merrill Porter and Charles Wagner's slammers winning out, 15-4 and 15-7.

The victory marked the fifth straight win for the Firemen and since the Outrigger team is the only outfit standing in their path to the championship, the Fire boys might as well claim the title. This is the league standing at present:

### Starred Again

The work of Capt. Henry Kipi of the fire-killers again stood out. He was there on offense and he did more than his share on defense. He

placed his men accurately and strategically. Joe Silva, Bill Kami and Manuel Barrett again came through with flying colors on all-around playing.

Cheong Wong, Kan Mun Chun and Akina were the Pines' best players.

In the second game Alec and Brede Karratti starred on offense for the Central "Y" outfit, while Mona Williams, Charles Char and Noburu Murakami shone with defensive work. Tom Singlehurst, Victor Kahn and Perry starred for the Surfboard paddlers.
