

LARGE SERVICE FLAG GIVEN TO OUTRIGGER

The largest service flag ever made in Hawaii is being presented to the Outrigger Canoe Club by the Pan-Pacific Union. On its field will be a star for every member of the Outrigger who has joined the service and on the star in letters of gold will be the name of the member absent. The club has a great many charter members enlisted including J. P. Cooke, Jr., Fred Carter and Sam Carter, Marston Campbell, Jr., Atherton Gilman and Arthur Gilman and others.
