

WOMEN'S AUXILIARY WILL HOLD MEET AT Y. M. C. A. NEXT MAY

Much interest is being taken in swimming at the Women's Auxiliary of the Outrigger Canoe Club and

some time in May it is expected that the members of the club will stage a swimming meet in which all club members will take part. Mrs. L. Fulard Leo will have charge of the arrangements for the meet.

At that time, a medal will be presented to the best all-round swimming star in the auxiliary. It is expected that there will be about 40 entries for the meet, and inasmuch as only club members are to swim, Mrs. Leo

said that the meet can be staged without the sanction of the O. O. U.

Ground glass was found in tomatoes, crab meat and jelly in Scranton, Pa.
