

OUTRIGGER SERVICE FLAG TO BE RAISED SATURDAY

The Service Flag to be presented by the Pan-Pacific Union to the Outrigger Club, will be ready for the raising ceremonies at 5 o'clock Saturday afternoon, on the Outrigger Club grounds. The Royal Hawaiian band will be in attendance.

President E. T. Chase of the Outrigger Club will preside, while W. R. Castle, vice president of the Pan-Pacific Union, will present the flag, which will be received by Sanford B. Dole, a former president of the Outrigger Club.

The ladies of the Women's Auxiliary of the Outrigger Club, with the mothers of the Outrigger members at the front, have woven in letters of gold more than a hundred names on the stars of blue. Other stars and names will be added as future enlistments of club members occur.

It is possible that a letter from Captain Harry Strange, an Outrigger member, will be read, and another member, returned wounded from the front, L. J. Grimshaw, has been asked to say a few words to those who are yet to go "Over There."
